

CNC LABEL CUTTING MACHINE

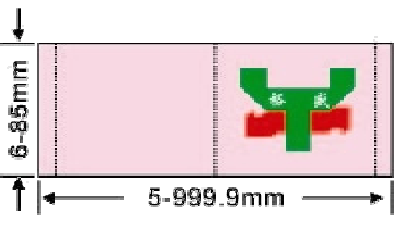

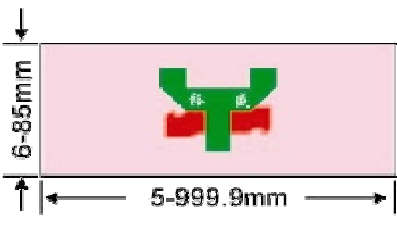

(Ultrasonic cut)

Model: YS-6300

Charactors:

- Ultrasonic high speed cutting, up to 2000 dozen / min;
- Electric mark tracing / fixed length cutting
- Scrap label remove function
- Touch screen + PLC control
- Programmable folding marking
- With motorized conveyor for labels

Technical parameters:

Working speed		0~500 pcs /min (5cm length)
Electric	Power	2.0kw
	Voltage	220~240V, 50Hz or 60Hz
Gross weight		78kgs
Dimension		L X W X H=98x65x150cm
Ultrasonic		20Khz (or 28Khz)
Suitable label belt range		
		
		
marking		Piece cut
